THE HON'BLE MR JUSTICE R.SUBHASH REDDY

WRIT PETITION NO : 7015 of 2005

-
ORDER:

-
Though WPMP is listed for hearing, at the request of learned Counsel appearing on either side, the Writ Petition is taken up for final hearing and is being disposed of by this order.

The management of the fourth respondent-school notified some teaching and teaching vacancies by notification dated 11-2-2004. For the purpose of selection, the fourth respondent conducted written test followed by interview, and, it is stated that respondents 5 to 9 were selected by the fourth respondent-management. The petitioner herein also applied to one of the posts notified by the fourth respondent- school. It is the case of the petitioner that the

procedure adopted by the fourth respondent-school is contrary to the guidelines and instructions issued by the Government. It is submitted by the learned Counsel appearing for the petitioner that though selections for the said posts were made by the fourth respondent-management, the same were not approved by the Regional Joint Director of School Education, Warangal as required under the rules framed in A.P. Education Act. It is further stated that though proposals were rejected, but however, the rejection was not on the grounds stated by the petitioner.

One of the objections raised by the petitioner is that the teachers working in fourth respondent had been posted as Invigilators and the same is contrary to the procedure notified to the management by way of circulars. As much as the selections are not yet approved, and it is stated that the proposals for selection were returned on some other grounds, I dispose of the Writ Petition permitting the petitioner to file objections before the Regional Joint Director of School Education, Warangal, pointing out the lapses in the selection process conducted by the fourth respondent-school, within a period of four weeks from today. If such objections are filed within the time specified above, the Regional Joint Director of School Education, Warangal, is directed to consider the same while approving the selections made by the fourth respondent-school management. It is needless to observe that, as selections were made long back, the approving authority shall expedite the steps in this regard.

Subject to the above direction, the Writ Petition is disposed of. No order as to costs.
